COMPANY OVERVIEW

A full-service connected veteran owned company providing the fabrication, installation, and repair of stone countertops including tile installation in DC, MD and VA.

CAPABILITIES

Installation - We establish and manage proper procedures for installing and seaming natural stone counter tops, fireplaces, mantels and bathroom vanities. We measure applications to cut and shape tile to fit around obstacles and into odd spaces and corners, using hand and power cutting tools.

Repairs - We evaluate the damage and then provide the most effective granite honing, polishing and repair techniques essentially erasing almost any type of damage.

Fabrication - Expert knowledge of products, handling, inspection, safety, tooling, shop layout, templating, material layout, cutting, seaming, edge treatments, sink & bowl mounting, cutouts, backsplashes, thermoforming, finishing, basic repair, installation, support, overhangs and inlays.

DIFFERENTIATORS

Veteran Owner - Trained in engineered environments targeting mission achievement, and taught to exercise collaboration, cooperation and skillful execution to achieve goals.

Lean Manufacturing - Employ techniques to include lean manufacturing to eliminate waste during the manufacturing process which improves efficiency and productivity.

Relationship Development - Eager to build trust and credibility with customers to ensure a smooth process and reduce expenses.

Ethical Compliance - Licensed, bonded and insured company offering stability and trustworthiness during all processes.
